The safety of all horses, riders, spectators and officials must be taken into account at all times, and the directions and instructions of the officials, committee members and Show Secretary must be observed. Any rude or aggressive behaviour will not be accepted and these parties may be eliminated and/or requested to leave the show - any future entries may not be accepted.

Regional Winter Finals:

Will include a full day's competition for all riders who have not qualified for the Championships.

Championship classes are open to Horse/Rider combinations that have been placed 1-6 at that level during the 2009 Summer Season.

Horse/Rider combinations from other clubs must be placed 1-6 at that level at a minimum of 3 shows (the finals can be included in this number) to qualify for the Winter Finals.

Winter Leagues:

- * Horse/rider combinations can gain league points in each class at each show.
 - * The Riding Club League will be based on only one riding club test per show. Primary/Advanced Primary riders will do the first preliminary test at each show, Intermediate riders the second Preliminary test, Advanced Intermediate riders will do the first Novice test and Open riders the second Novice test. Advanced Open Riders gain points by doing the first Elementary test.
 - * N.B. riders must inform the show secretary if they intend to enter this league when making their entries and must produce their riding club card showing their grade to the show secretary, otherwise no league points can be allocated.
 - * There will be an award for the highest percentage in a championship class at the Winter Finals for riders under 16 years of age before the 1st January 2009. Riders must declare themselves for this class and provide a copy of their birth certificate with their entry form.
